

Advances & Research Trends in Electronics & Communication (ARTEC-2015)

Objective

The primary goal of ARTEC 2015 is to promote research and development activities in Electronics & Communication Engineering. This conference will provide a platform to the researchers and practitioners both from academia as well as the industry to meet and share their contributions in related fields. The objective of the event is to provide an opportunity for the Researchers, Technocrats, Academicians and Engineers to exchange their innovative ideas and new research findings in the field of Electronics & Communication Engineering. Authors are solicited to contribute to the conference by submitting articles related to research results, projects, surveying works and industrial experiences that describe significant innovations and advancements in different areas.

Conference Topics

The topics included :

- » MEMS-Micro Sensors and Structures
- » Photonics and Optical Communications
- » Molecular Electronic Devices
- » Microwave Theory, Radar, Sonar and Antenna
- » Embedded Systems & Robotic
- » Digital Signal & Image Processing
- » Artificial Intelligence, Fuzzy and Neura Systems
- » VLSI Design & Testing
- » Wireless and Mobile Communication
- » Routing & Optimization Techniques
- » Intelligent and Adaptive Control
- » Process Control and Instrumentation
- » Biomedical Assisted Technologies
- » Wireless Sensor Network

- » Ad Hoc Networks/ Wi-Fi/Wi MAX
- » Human Machine Interface
- » Sensors and Systems for IoT
- » Bio-Sensors
- » Nano-Electronic Devices
- » GIS Technology
- » Virtual Instrumentation

Research Paper Submission

Paper Submitted will be reviewed & evaluated based on originality, technical quality, and relevance to conference. Submission of papers will be carried out electronically via email (2015artec@gmail.com) in Doc Format (IEEE double column format) as available on our website (www.srmswcet.ac.in). Full length Research Papers should not exceed eight pages. All accepted Research Papers will be assigned presentation slots.

Conference Publication

Proceedings of the ARTEC – 2015 shall be published in "ANVESHAN" Volume-3 (Souvenir of the Conference). The best papers of each technical session will be published in the **International Journal of Advanced Research in Electrical, Electronics and Instrumentation Engineering (IJAREEIE)**, (Global Impact Factor 1.686), ISSN (Online) : 2278-8875, ISSN (Print): 2320 -3765.

Important dates

Paper Submission	March 23, 2015 (Mon.)
Author Acceptance Notification	March 30, 2015 (Mon.)
Registration Fee Submission	April 10, 2015 (Fri.)
Conference Date	April 25, 2015 (Sat.)

Registration fee

Students	: ₹ 500/-
Academicians	: ₹ 800/-
Corporate Participants	: ₹ 1200/-

Registration fee should be paid by Bank Draft in favour of "SRMSWCET", payable at Bareilly. Registration fee enables participation in all technical sessions and hospitality including stay arrangements during the conference.

- » For each paper at least one author is required to register and attend the conference to present the paper.

How to Register

The registration form can be downloaded from the website (www.srmswcet.ac.in). Duly filled-in registration form along with DD towards registration fee must be received through post/courier by 10th April, 2015 (Friday) at following address :
